

Deadly Weapons Protection Coverage

Preferred Governmental Insurance Trust provides Deadly Weapons Protection coverage to its members. Members who purchase this coverage have access to a leading crisis response network that is positioned to assist in protecting against threats and vulnerabilities before, during and after an event.

Coverage Highlights Include:

- 24 X 7 X 365 Hotline Assistance including the ability to talk to experts before an event happens
- Decision Making Support
- Investigation & Legal Support
- Reputation & Brand Protection
- Threat Violence Assessment
- Crisis Communication Support
- Intelligence Monitoring
- Media Management
- Security Enhancement
- Victim Support and Coordination

Members will also be given access to free webinars, seminars, case studies, and test exercises to provide further education on emerging threats, mitigation strategies and response protocols.
